the *ultimate* Bath

The Ultimate Bathroom can be boldly contemporary and decidedly minimalist.

It can be Old World and full of decorative flourishes. It can be traditional or it can be eclectic.

What can't it be? BORING.

22 kentucky dinner party

A night with friends, food and fantastic energy brings a purely Kentucky evening to fruition.

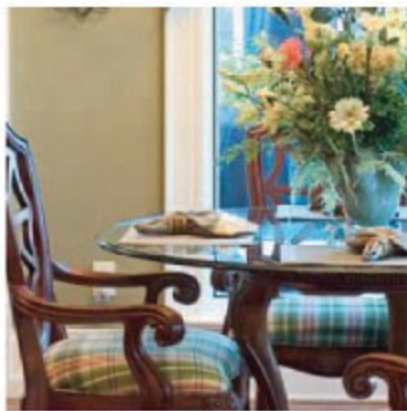

32 style savvy

Along our home and garden travels, we find things too good not to tell you about. Here's a look at some of the region's "must have's".

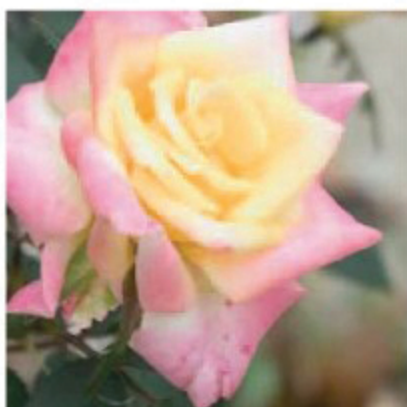

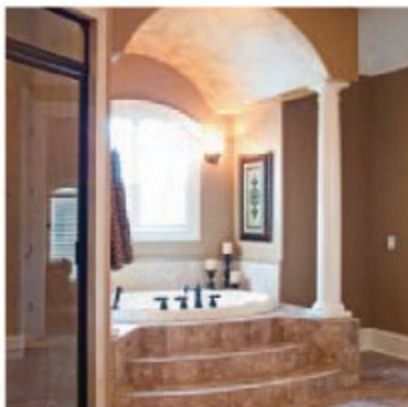

32 mixed media

The long held art tradition makes its way into your home as a collection of materials blends perfectly to create brilliant design.

34 young builders & their dream homes

Young builders are in tune with the young homebuyer. From design to the finishing touches, today's young builders report on what goes into today's home as well as give us a wish list about what they want in their own dream homes.

40 new roses for old kentucky

Well, maybe not all new, but definitely worth paying attention to. Monty Justice, the region's foremost rosarian gives us a lesson on what makes roses bloom and bloom in Kentuckiana.

design feature
the ultimate bath

Louisville's ultimate bath's come alive from the pages as we bring you some of the best the area has to offer.
